pertaining to Roadway Impact Fees for Day Care Centers.
(Development Services/SI)

The City's Advisory Committee met on December 8, 2009 to consider the proposed amendment to the Impact Fee Ordinance. The amendment would reduce the Roadway Impact Fee to \$1,722 per 1,000 square feet of building area for Day Care Centers. The proposed fee will be applied city wide and not based upon the quadrant location of the Day Care Center. The Committee reviewed the revised Exhibit A Roadway Impact Fees and invited public comment on the proposed amendment.

After review and discussion the Advisory Committee voted 7-0 to recommend to the City Council that the Roadway Impact Fee for Day Care Centers be set at \$1,722 per 1,000 square feet of building area and applied City wide.
